Narrative

Reporting party Marcus Bell contacted dispatch at 06:40 on 2026-04-22 stating his 2023 Honda Civic (plate WA-TRJ8821) had been taken from the 200 block of NE 8th St, Bellevue, WA between 22:00 the previous evening and his discovery this morning. Vehicle was entered as stolen on WACIC at 07:08. Recovered later the same day by patrol unit responding to a suspicious-vehicle call. No suspects were on scene. Vehicle showed forced entry via the driver-side front window, damaged ignition and steering column, and key-scratch graffiti on both rear quarter panels. No collision damage observed. No injuries reported. Vehicle released to owner at scene after evidence processing.

Observed damage

- Driver-side front window glass shattered (entry point)
- Ignition cylinder forced; steering column lock damaged
- Key-scratch graffiti on left and right rear quarter panels
- Interior cluttered; minor unknown debris on floor mats
